This certificate is issued on the basis of voluntary certification, and it does not substitute outputs of the authorized or notified body.

Prague, 05.10.2022

Head of the certification body

1. The product specimen was entered for evaluation and type certification on 08.08.2022.
2. The Certificate was issued on the basis of the documents provided by the client:
 - Application for certification from 08.08.2022
3. The certificate does not constitute a confirmation of the Certification Body that subsequent production conforms with the certified type.
4. Detailed technical data characterizing the product type:

Max. load capacity:	150 kg
Angel of the gradient of the path:	52°
Rated speed:	0,1 m/s

5. List of important parts of the technical documentation:
 - Is stated in the Evaluation report file No. 14.829.521 from 19.09.2022.
6. Validity Conditions
 - The certificate shall apply only to its holder and products and production places mentioned therein.
 - This type certificate has been issued in accordance with the following requirements of the standards:
ČSN EN 81-40 ed.2:2022, except for the reference to clauses 5.5.2.1, where an equivalent manufacturer's technical specification is applied.
 - The transfer of the certificate by its owner to third parties is inadmissible as well as the use of certificate by third parties.
 - TÜV SÜD Czech shall be notified forthwith of any product modifications compared to the certified specimen. This fact may cause the certificate continuation dependent on an additional conformity evaluation.
 - Supervision is not performed.
 - The certificate can be renewed on request.
 - The certificate shall only be reproduced complete including all the annexes.
 - The right to use TÜV SÜD Czech certification mark was not established to the certificate.
 - The certificate holder commits to keep records of all the relevant complaints concerning the conformity of the products with the requirements of regulations and standards and make those records available to the certification body TÜV SÜD Czech.
 - Not specified items (advertising, use of certificates) are governed by the General Conditions for Product Certification, as amended.
